

Dobie Ranch Rescue Adoption Contract

Our Dobermans are never to be tied to ropes or chains or left in outdoor kennels. These Dobermans are meant to be companions and working companions, not just sentries or "Junkyard dogs". We do not adopt out Attack Dobermans or Guard dogs.

This dog shall be kept and cared for as a family pet in a humane manner and given appropriate shelter and medical care for the duration of its life.

I (adopter) _____ initial agree to abide by all State and Local Animal Control and Leash Laws. I understand it is my responsibility to become familiar with these laws.

I (adopter) _____ initial agree to contact AHSCFPRI/ Dobie Rescue Ranch if I am unable to care for or keep this dog.

I (adopter) _____ initial understand and agree to the following terms of this contract and understand that non-compliance with the terms of this agreement gives AHSCFPRI/ Dobie Rescue Ranch the right to reclaim this dog without refund.

Should the Adopter be unable or unwilling to fulfill any of the above provisions, or if any local authority as having been neglected or abandoned seizes this dog, the adoptee retains the right to reclaim this dog without compensation. The Adopter agrees to pay AHSCFPRI/ Dobie Rescue Ranch any and all expenses, including court costs and reasonable attorney fees, in enforcing the terms and provision of this contract.

We encourage professional training or Schutzhund sports because it builds confidence in the Doberman as well as the family. We have had specific instances where a Doberman saved our lives or protected us from robberies, thefts or harm. However, we do not advocate "attack dogs". If you are after a protection only dog, they are out there, but we do not want a part of that. We want you to have a working companion at your side, bonded to you and the family, not a Doberman just trained to bark and bite. We also encourage Pet Therapy and Search and Rescue; it puts a positive light on the Doberman breed and changes lives for the better. Remember, your Doberman wants a job, they want to please you. Help them learn what you want them to do and watch them amaze you.

The undersigned Adopter hereby acknowledges having read the terms of the contract and does hereby agree to abide by each of the provisions set forth above.
